# Air Quality Solutions

Location

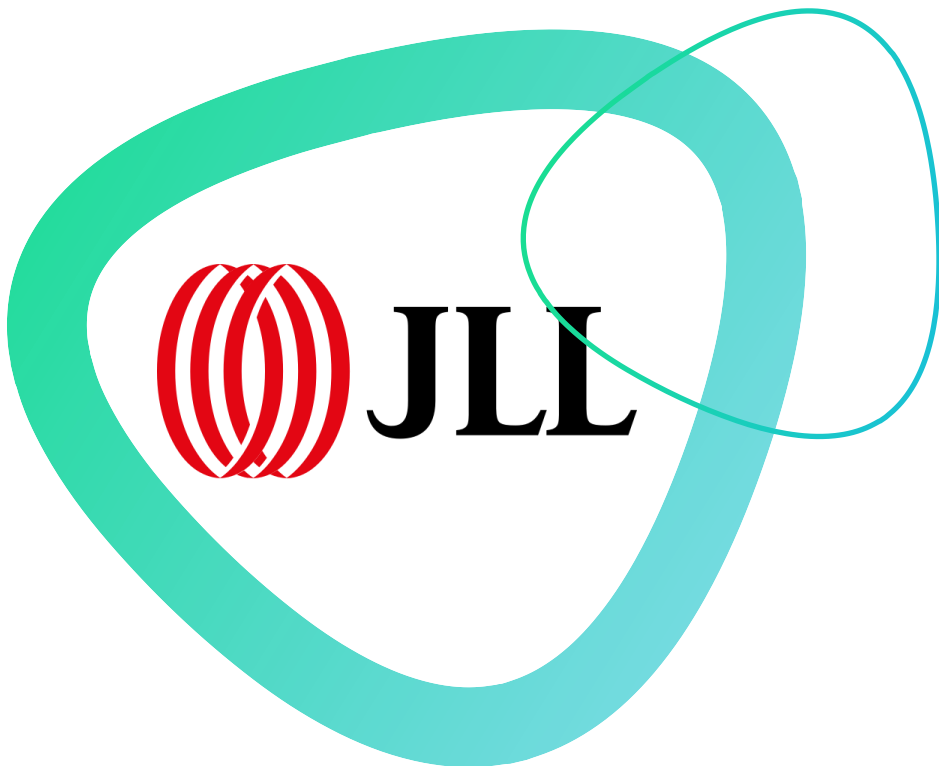

JLL Headquarters, Mumbai

**27k sq.ft**

Area Monitored

**97.80%**

Improvement in Air Quality

### CHALLENGE

- Integrating Air Quality Management Systems into existing ventilation system

### SOLUTION

- Installed AeroCare – Sensors, and aerosol management systems

### IMPACT

- Adequate ventilation levels achieved
- Carbon dioxide concentration reduced

**2 hours**

Total Installation Time

**17k/day**

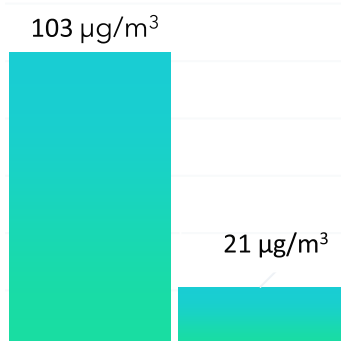

Data Points Collected

**2 days**

For tangible impact

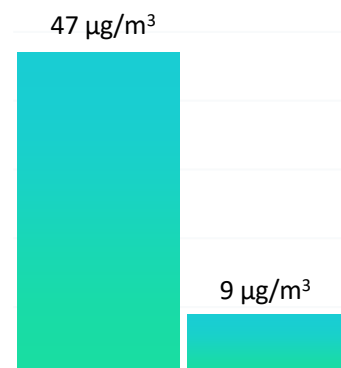

**₹1.6/sq.ft**

Cost of solution installed
